## FUR BLAST IV!

**A**s you receive this newsletter we are making our final preparations for FUR BLAST IV in Dayton Ohio. What I can tell you is that it is sure to be one of the most exciting weekends we've had yet at DJ's Saloon (237 North Main Street). It will be on Saturday night, August 21st. What a great way to take out the summer!

But the night doesn't begin there! Check into our host hotel, the Best Western. Be sure to have your reservation in early by calling them directly at 937-276-6151 (ask for the Bear Pack group of rooms.) At 7 to 9pm (that's 6 to 8pm Indiana-time) we'll be having a pre-barnight dinner at Café J next door to DJ's Saloon. We will be having a Baked Spaghetti dinner, salad, garlic bread with soft drinks or tea. (Alcoholic drinks are extra at the dinner.)

After dinner we'll be gathering at DJ's Saloon and getting the night underway! Midwest BearPack's own, William Brown, will be hosting the festivities. We've been thinking of some sub-titles for the night and, since we've seen the Blair Witch Project, the titles like "Brown Bitch Project" come to mind. But we haven't decided yet.

The next morning (Sunday morning for those of you who'll have your traditional hangover and won't figure it out) we'll

all get together for a morning brunch at Café J after we check out of our hotel rooms.

Well, we can't wait to see everyone again. Remember to wear your pins and t-shirts and let's take out the summer in our traditional BEARPACK style!

**E**veryone had a great time at our Summer Picnic at Spring Mill State Park on August 7th. We had a wonderful turn-out of BEARS for both the picnic and for camping at the park as well. We encourage everyone to check out the web site for a bunch of pictures from the weekend! Even catch the ones of the SINKING OF THE BOAT! You'll have to see the pix to believe it!
